

Build A Better Future

Five \$10,000 Awards

Honors Graduation is offering FIVE \$10,000 scholarships!

Here is what you need to know:

- High school seniors participate in a design thinking, community-building project:
 - Design and work on a community improvement project
 - Submit feedback prior to final submission by **April 30, 2023**
 - Submit final project by **May 28, 2023**
- There will be five awardees, each receiving a \$10,000 scholarship to the US-based college, university, or trade school of their choice. We will fund the top project with an additional \$5,000 award.

Scan the QR code below to find additional information regarding this scholarship including answers to FAQs, eligibility requirements, digital feedback and submission forms, and examples of projects from previous winners.
