Name _____

THIS OR THAT

Read each pair of words. Circle the one you like the most. Next, collect data from your classmates. Make a tally mark next to each word your classmates prefer. Total the tally marks, then finish the bar graph using the data you collected.

Strawberry	Chocolate
Basketball	Football
Inside	Outside
Mountains	Beach
Spring	Fall
Math	Science
Watching TV	Playing games
Chips	Candy

THIS OR THAT

Fill in the bar graph using the data you collected from your classmates.

Next, write 3 questions you could answer using your graph.

Ex: How many more people prefer basketball than football?
