

Name _____

Jelly Bean Sorting

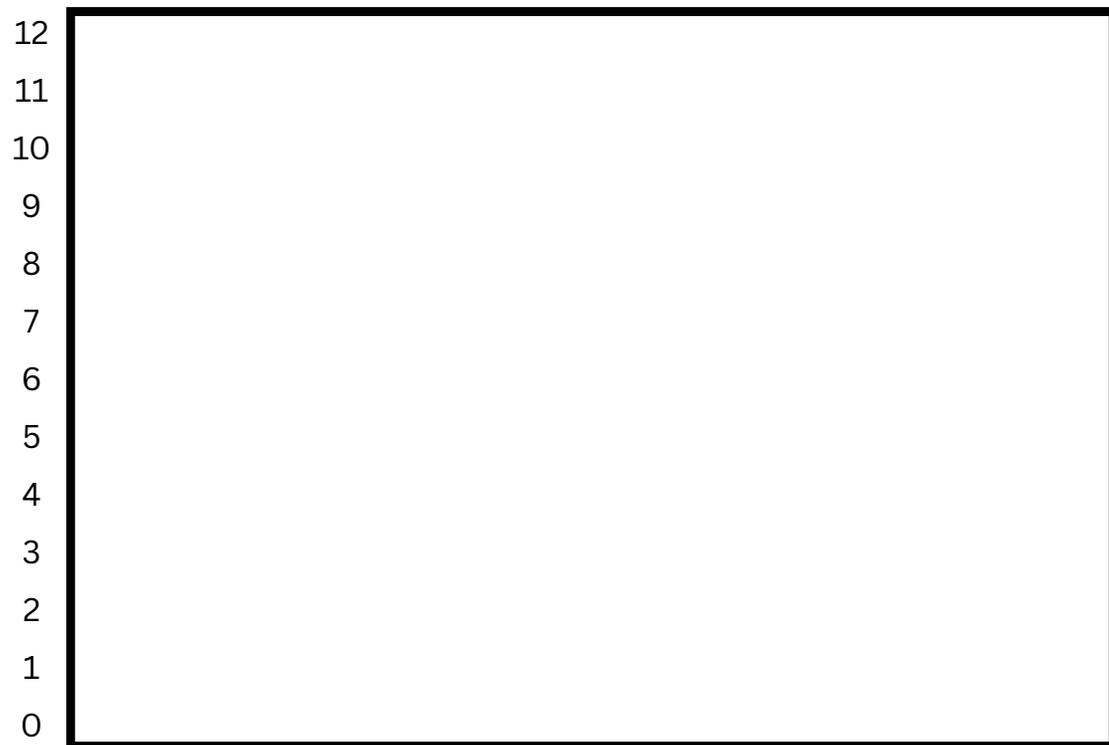

After you receive your bag of jelly beans, sort them by color. You can place them directly on this worksheet. After you have sorted them, count how many you have of each color and write your answers on the graphing page.

Name _____

Jelly Bean Graphing

After you have sorted your jelly beans by color, answer the questions on this page, then create a graph showing how many of each color you have in your bag.

How many jelly beans are in your bag? _____

Write how many jelly beans you have of each color:

Red _____

Yellow _____

White _____

Pink _____

Orange _____

Purple _____

Green _____

Which color do you have the **most** of?

Which color do you have the **least** of?

After you have made your graph, eat one of each color. Which is your favorite?

Which flavor did you like the least?
