

It's Not a Circle! It's a...

These circles are ready to be transformed! Add shapes, lines, and colors to make these circles into something new!

It's Not a Line! It's a...

Turn each line below into something else! Add shapes, more lines, and colors to transform these lines into something new! If you get stuck and can't think of anything to draw, turn the paper different directions to see the lines from new angles.
